Les Lèvres Nues.

N/A

Bruxelles, April 1954-September 1958. Nos. 1-12, and Numéro Hors Série, 'L'imitation du cinéma'.
Brussels, Summer 1960. (all published). Edited and published by Marcel Mariën. 8vo, stapled, (Hors-
série issue 4to), original wrappers, b/w ill.

The most radical post-war periodical published in Belgium, functioning as a platform for groups and
individuals critical of what surrealism had become (for example contributions by the Internationale
Lettriste), and also devoted to publishing texts by Paul Nougé, gang leader of the surrealist group of
Brussels.
